Internal complaints procedures

Dunlop Heywood takes complaints very seriously and works hard to resolve issues as quickly as possible. We have the following procedure in place to help us resolve your grievance and work towards continually improving our services.

1. If you are unhappy with any element of your experience with Dunlop Heywood, please address it in the first instance with whom you have been dealing with in respect of the matter giving rise to your complaint
2. If you do not feel that is appropriate or if you cannot obtain an explanation satisfying your complaint within 24 hours, please contact:

Nigel Davis, Feedback and Complaints, Dunlop Heywood, 3rd Floor, The Chambers, 13 Police Street, Manchester, M2 7LQ

3. If your complaint was originally made verbally we would be grateful if you could summarise the nature of your grievance in writing.
4. Once we have received your written summary we will acknowledge this in writing and normally within 5 working days to inform you of our understanding of the circumstances leading to your complaint.
5. We shall continue our investigations and normally within 15 working days of receipt of your written summary the person dealing with your complaint will write informing you of the outcome of the investigation and let you know what actions have been taken or that will be taken. In some instances your complaint may take longer than this to investigate, if so we will write to you to inform you of our progress.

If you remain dissatisfied with any aspect of the handling of the complaint, we will then attempt to resolve it promptly by negotiation.

If you are dissatisfied with any aspect of the handling of your complaint please contact Mr Nigel Davis, who will personally conduct a separate review and will contact you within 10 working days to inform you of the conclusions reached by his review.
