AGENCY & INVESTMENT

Dunlop Heywood's Agency & Investment team acts on behalf of large, medium and small sized enterprises in both the public and private sectors UK wide. We employ solutions-orientated people who are able to deliver results specific to requirements, be it for office, industrial, retail, leisure or investment and development opportunities.

Our Agency & Investment team works closely with other departments and offices across the network. This enhances our service offering as well as improving our market knowledge on a local, regional and national scale.

We promote premises appropriately using the most up-to-date technology and media available. Bespoke marketing strategies are provided relevant to the size and type of premises, and these can be target specific or to a much broader market audience.

Dunlop Heywood prides itself on being a professional commercial property agency, connecting tenants, occupiers and investors with property managers, property brokers, property agents and other professionals. When it comes to finding the right property, Dunlop Heywood has an extensive directory of available premises to suit.

We understand the complexities of the Investment Markets using our expertise and access to an extensive contact base of institutional, property company and private investors. We provide our clients with comprehensive, independent and best in class advice.

By bringing our occupier knowledge to local market dynamics we help the client make and execute the right investment decisions.
